**PROFESSIONAL EXPERIENCE
and DEVELOPMENT**

Mr. Haveles, over the past 42 years, has served in the responsibilities of technician, and specification writer, architectural designer, and project manager, and one of the firm's managing Principal Architect. In addition, Mr. Haveles' professional experience has been diversified with commercial and office development, healthcare, recreational, public multiple housing renovations, continued care (assisted living) elderly housing, ADA compliance and custom residential designs.

PROJECT DIVERSITY

Mr. Haveles has been providing Project Management services for a variety of projects ranging in size of 13.5 million dollars to minor renovation projects of a few thousand dollars. His personal attentiveness to the projects' requirements and direct communication with the owners has provided a successful track record in the completed projects.

PROJECT MANAGEMENT

Mr. Haveles' architectural profession is complimented with equal commitment to the Western and Central Massachusetts regions. He was formerly employed by Cannon Design of Springfield, MA for 5 and ½ years and Irwin A. Regent and Associates in Worcester, MA for 5 years. Illustrating his further interest in this immediate region, he is the co-founder of Architectural Insights, Inc. with Mr. Lawrence Tuttle.

REGIONAL COMMITMENT

Historic Renovation has been of continued interest to Mr. Haveles. He has had the pleasure to work on a variety of preservation projects including the Old Bicycle Building in Springfield, MA for the Home Builders Association; two projects involving the Rogers Block in Worcester as well as the former Worcester Market building for reuse conversion into the Massachusetts Department of Welfare Offices. Both of these are on the National Historic Register. Additionally Mr. Haveles was the Project Designer and Architect for the re-purposing of a former Sears and Roebuck mercantile store in Greenfield to an integrated healthcare facility.

**PRESERVATION
RESTORATION**

COMMUNITY

In conjunction to the architectural field, Mr. Haveles has taken a very active role in the community where he resides by having served various political positions and committees and non political committees for a variety of non-profit organizations and was founder of the Palmer Historical and Cultural Center and the Palmer Events Planning Committee.
